Want a nokri?

Nokri.com is a new, innovative global job site where employers and job seekers from around the world are quickly and selectively matched. Nokri.com is de-

signed with the knowledge that time is valuable. This comprehensive job site is logical to navigate. In short, the site helps to perform their search quickly and easily. At Nokri.com, employers have many options. They can post questions to screen applicants more thoroughly. They will automatically receive e-mails when suitable people apply. And they will get only one e-mail per job seeker even if the would-be employee applied more than once. If you are a job seeker, you will breathe a sigh of relief at how quickly you can find and apply for pertinent jobs at Nokri.com. If you like or dislike travelling for work, one can track down a job that requires lot of travel or none at all. One can even locate telecommuting jobs. At Nokri.com, one can find or post job listings.

For healthy jobs

Hirehealth.com is a pharmaceutical, biotechnology, medical and health care career source. Hirehealth.com empowers job seekers and employers in the pharmaceutical, biotechnology, medical and health care industries with the most efficient and cost effective way to reach their employment goals. Job seekers brows-

ing for a new career opportunity or companies searching for ideal employee will find hirehealth.com invaluable. Job seekers can submit resumes directly to pro-

spective employers and conduct targeted job searches. Employers can locate and contact qualified candidates by posting open job positions and reviewing resumes. With extensive job and resume databases and an interactive design, hirehealth.com will provide one the most complete and successful online employment experience.

The site claims that pharmaceutical, biotechnology, medical and health care professionals have come to rely on hirehealth.com to be their source for thousands of jobs. Over 150 companies have jobs posted on hirehealth.com. Job seekers can easily browse jobs until a job is found that ideally matches their background. They may then instantly submit a resume to that company. Job seekers can view a record of all resumes submitted to companies in their hirehealth.com job folder and automate their job search through their Hirehealth.com job agent.
